Worcester County Mathematics League By-Laws

1 NAME

1. The name of the organization, that was established in the 1962–1963 school year, shall be the WORCESTER COUNTY MATHEMATICS LEAGUE.
2. Unofficially, it may be referred to as WOCOMAL.

2 PURPOSE

1. To stimulate interest in mathematics among students.
2. To expose students to competition in mathematics in order to enhance the learning of mathematics.

3 ELIGIBILITY AND MEMBERSHIP

3.1 SCHOOL MEMBERSHIP

1. Any school with students in grade 12 or below that wishes to join WOCOMAL may apply for membership after attending at least one meet during the previous year, or after an instructional meeting between the league President and the prospective team's coach.
2. Any school that has not paid its dues for the previous year may be dropped from the league.
3. Any school that has not competed for two consecutive years may be dropped from the mailing list.
4. Each school is allowed one coach designated as the voting representative who is entitled to a subsidized dinner at the Spring meeting.
5. PROVISIONAL MEMBERSHIP: In order to encourage new membership, any school that has not previously competed in WOCOMAL may, upon invitation of the President and Executive Committee, join the League as a provisional member. The provisional member shall be able to compete in all League meets, but shall not be subject to dues, nor be able to exercise voting privileges, nor be eligible to win individual or team awards. A school may opt for provisional membership only once, and such membership may extend for at most one year.

3.1.1 DUES

1. Each member school shall pay an annual registration fee for the varsity division (if applicable) and an annual registration fee for the freshman division (if applicable). In addition, there shall be an assessment for the number of varsity teams and the number of freshman teams. All fees shall be determined at the Spring Coaches' meeting and shall be in effect for the following school year.
2. Because a school may bring a different number of students to each meet, the "number of teams" for the purposes of dues is defined as the average number of students per meet, rounded to the nearest full team of five students. An average of 12 students would be considered two teams, while an average of 12.5 or more students would be considered three teams.
3. To encourage early payment of dues, a \$10 discount shall be given to any school which pays its dues by December 31 of the academic year.
4. To discourage late payment of dues, a \$20 penalty shall be assessed against any school which does not pay its dues by the final meet. Furthermore, awards will be withheld from any team which has not paid its dues by the Spring Coaches' Meeting.
5. Because it is difficult to predict the actual amount of dues owed, coaches should make their best attempt to estimate the number of varsity and freshman teams. If a school overpays, the overpayment shall be credited toward the next year's dues; if a school underpays, the underpayment shall be due in the next year.
6. Overpayments or underpayments of small amounts shall not affect eligibility for the early payment discount or late payment penalty.
7. It is the responsibility of the First and Second Vice Presidents to provide the Treasurer with a list of participating league schools and varsity/freshman dues owed for the year, before the Spring Coaches' Meeting.

3.2 INDIVIDUAL ELIGIBILITY

1. Any student duly registered in a participating league school is eligible for competition in WOCOMAL with that school.
2. Any student duly registered in a school that is under the same principal or headmaster as a participating league school is also eligible for competition in WOCOMAL with that participating league school.
3. Any student in grade eight or below, who would otherwise be ineligible to compete in WOCOMAL, may compete in WOCOMAL with a participating league school that educates students in grades nine, ten, eleven, or twelve, subject to the following restrictions:
 - (a) A public-school student must participate with the public high school in his or her school district. If more than one public high school exists in the district, the student must participate with his or her "non-school-choice" high school.

- (b) A parochial-school student must participate with a parochial high school.
 - (c) Participation with a participating league school may only occur with the permission of the coach of the school's team. That coach shall have full authority to determine whether the student competes at any given meet.
4. Students who are home schooled may compete for the school system under which they are registered.

4 OFFICERS AND THEIR RESPONSIBILITIES

To ensure the proper functioning of league meetings, meets, and other functions, persons shall be elected or appointed at the Spring Coaches' Meeting. These persons shall have duties as enumerated below.

4.1 ELECTED OFFICERS

The elected officers are the President, the First and Second Vice Presidents, the Secretary, the Treasurer, the Varsity Question Selection Chairman, and the Freshman Question Selection Chairman.

4.1.1 THE PRESIDENT

1. Schedules Fall and Spring Coaches' meetings and presides over them, establishing the agenda under Section 12.
2. Calls special (summer) meetings and Executive Committee meetings whenever necessary.
3. Notifies schools of time and place of all meetings, providing written reports of same.
4. At each meet, provides each coach with proctoring assignments, a letter for the coach, score sheets and a map for the next meet and any other necessary material.
5. At the conclusion of the meet, announces the unofficial high scorers and the top three (3) teams in each division.
6. Determines, along with the Executive Committee, which schools are eligible for State and New England competitions.
7. Has the responsibility with the host school of canceling and rescheduling meets and notifying the participating schools.
8. Keeps a record of all meetings, meets, results and activities and hands these results down to successive Presidents.
9. Writes letters of commendation for officers and sends them to their building principals at the end of the season.

10. In consultation with the Executive Committee has the final decision in all matters of controversy.
11. Assumes all other duties as they arise.
12. Receives remuneration as determined at the Spring meeting. The current yearly stipend for the President is \$250.

4.1.2 THE FIRST VICE PRESIDENT

1. Assists the President in the operation of the Varsity meet.
2. Compiles the statistics for the Varsity meet as reported by the Head Scorer.
3. Reports the team and individual statistics to the coaches as soon as possible after the meet, providing the President extra copies of these statistics.
4. May notify the news media of the results of each Varsity meet.
5. For each Varsity meet, keeps a record of the average number of points scored per round for the top scoring team from each school.
6. Before the Spring Coaches' Meeting, provides the Treasurer with a list of dues owed for the year by all schools which compete in the Varsity division.
7. Receives remuneration as determined at the Spring meeting. The current yearly stipend for the First Vice President is \$500.

4.1.3 THE SECOND VICE PRESIDENT

1. Performs the same duties as the First Vice President as they pertain to the Freshman meets.
2. Receives remuneration as determined at the Spring meeting. The current yearly stipend for the Second Vice-President is \$500.

In the event that the same person is both the First Vice President and the Second Vice President, that person shall be referred to as the Vice President.

4.1.4 THE SECRETARY

1. Takes the minutes at all regular and special meetings and Executive Committee meetings and provides all coaches with these minutes.
2. Is responsible for other correspondence for the League.
3. Compiles names of coaches for the directory and distributes this directory to each school.
4. Writes thank you notes to host schools and a letter of commendation for the President.

4.1.5 THE TREASURER

1. Issues bills to all schools requesting dues which have not been paid by the end of March.
2. Receives lists from the First and Second Vice Presidents indicating the correct dues owed by each school at the end of the year.
3. Makes coaches aware of underpayments and overpayments so that adjustments can be made to the next year's dues.
4. Provides stipends to officers and other persons as determined by the league.
5. Reimburses officers, Committee Chairmen, and host schools for expenses incurred, upon proper receipt.
6. Makes reports, at the Fall and Spring meetings, of the League's financial status.

4.1.6 THE VARSITY QUESTION SELECTION CHAIRMAN

1. Selects questions from the varsity question bank and verifies answers.
2. Writes the varsity contests and provides the moderator with test copies for the students and the Head Scorer, with the answers for the scorers.
3. During the varsity meet, provides the coaches with answers and test copies.
4. Provides the coaches with complete typed solutions to all varsity meet questions.
5. Provides the website maintainer with a computerized, typed version of meet questions in the form that students received them, and a computerized, typed version of the official solutions.
6. Following the Fall meeting and preceding each varsity meet, informs the President of coaches who have not submitted questions to the question bank.
7. Receives remuneration as determined at the Spring meeting. The current yearly stipend for the Varsity Question Selection Chairman is \$1000.

4.1.7 THE FRESHMAN QUESTION SELECTION CHAIRMAN

1. Performs the same duties as the Varsity Question Selection Chairman as they pertain to the Freshman meets.
2. Receives remuneration as determined at the Spring meeting. The current yearly stipend for the Freshman Question Selection Chairman is \$750.

In the event that the same person is both the Varsity Question Selection Chairman and the Freshman Question Selection Chairman, that person shall be referred to as the Question Selection Chairman.

4.2 APPOINTED OFFICERS

The President appoints officers to assist with meets, meetings, and other functions. Appointed Officers include the Head Scorer, the Moderator, the Proof Reader, the Banquet Chairman, the Trophy Chairman, the MAML Representative, and the Nominating Chairman.

4.2.1 THE HEAD SCORER

1. Oversees the scoring room and makes final decisions.
2. **Checks scoresheets before the commencement of the meet to determine whether teams are properly composed. If an incorrect scoresheet is found, informs the appropriate coach.**
3. Provides the appropriate Vice President with the team scoresheets at the conclusion of the meet.

4.2.2 THE MODERATOR

1. Oversees the competition area(s) and is responsible for final decisions.
2. Is responsible for arranging competitors, instructing competitors in filling out the information on the answer sheet, and providing warnings at two minutes and again at fifteen seconds, during each round.
3. Announces at the beginning of every meet round, that two students from the same school may not sit at the same table. Any students discovered to violate this rule will be given a zero for the round.
4. Appoints a “runner” to bring students to the competition area(s) and to bring the score sheets to the Head Scorer in the scoring room.

4.2.3 THE PROOF READER

Has the responsibility to verify all answers before the scorers check the students' answers.

4.2.4 THE BANQUET CHAIRMAN

Has the responsibility, under the direction of the President, to make the facility and dinner arrangements for the Spring Coaches' Meeting.

4.2.5 THE TROPHY CHAIRMAN

Has the responsibility, under the direction of the President, to purchase trophies.

4.2.6 THE MAML REPRESENTATIVE

1. Represents WOCOMAL at all Massachusetts Association of Mathematics Leagues (MAML) meetings.
2. Reports to the coaches at the Fall and Spring meetings.
3. Notifies schools that are invited to the MAML State Meet.

4.2.7 THE NOMINATING CHAIRMAN

1. Heads a committee of three to review the work of the current officers and to solicit coaches for the positions of President, First Vice President, Second Vice President, Secretary, Treasurer and Question Selection Chairman.
2. Proposes a slate of officers for election at the Spring meeting.

4.3 RULES CONCERNING OFFICERS

1. The Varsity Question Selection Chairman shall not be a coach of any varsity team competing during the year the office is held, and the Freshman Question Selection shall not be a coach of any freshman team competing during the year the office is held.
2. Ordinarily, no officer, other than the Treasurer and the Question Selection Chairman, shall serve in the same office for more than two consecutive years.
3. The duties of these officers may be changed, and other offices initiated, by a two-thirds vote of all member schools (one vote per school).
4. If an officer scheduled to receive a stipend is unwilling or unable to perform his/her duties, and the league is forced to pay a stipend to an additional person to have those duties performed, then the stipend given to the second person shall be subtracted from the stipend of the officer.

4.4 THE EXECUTIVE COMMITTEE

1. Consists of all six elected officers, the immediate past-President and the MAML representative(s).
2. Acts in the best interest of the League concerning matters not addressed in these by-laws.
3. Advises the President in controversial matters.

5 COACHES AND THEIR RESPONSIBILITIES

5.1 RULES

1. It is the responsibility of all coaches to familiarize themselves with league rules. In particular, these bylaws should be carefully read.
2. **It is the responsibility of all coaches to familiarize students with league rules and explain expected student conduct at WOCOMAL competitions.**
3. There is a “welcoming committee” that assists new coaches during their first year in the league.

5.2 QUESTION BANK

1. Each school must contribute questions to the bank no later than the Fall Coaches’ meeting, in accordance with the assignment by the President at the Spring meeting.
2. Each question shall be submitted on a 3" × 5" index card. On the front, the coach will print SCHOOL NAME, COACH’S NAME, VARSITY or FRESHMAN, MEET NUMBER, ROUND, CATEGORY, and the QUESTION. On the back, the coach will provide a complete solution and all acceptable answers.
3. The Question Selection Chairman may request more examples for the bank as deemed necessary.
4. All officers shall be exempt from submitting questions.
5. Coaches from new member schools shall be exempt from submit questions. New coaches from existing member schools must submit questions, the number of which shall be left to the discretion of the President.
6. **PENALTY:** The professional responsibility of all coaches is to submit questions. Any school that has not submitted the full assignment by the Fall meeting shall be reminded of its obligation. A school’s continued failure to submit all required questions prior to a meet shall result in a five point reduction from that team’s score for that meet. Such penalty, issued by the Question Selection Chairman in conjunction with the President, shall then be reported to the Head Scorer.

5.3 SCORESHEETS

1. Coaches must provide a completed scoresheet for each team to the Head Scorer before the commencement of each meet.
2. Coaches must ensure that each team is properly composed, in accordance with Section 7.2. **If teams are not properly composed, team and individual penalties are assessed according to the bylaws.**
3. For freshman meets, coaches must mark which round will be the “odd” round.

4. It is the responsibility of each coach to check student papers to make sure that they have been accurately corrected and recorded.
5. At the conclusion of the meet, individual answer sheets will be retained by the Head Scorer. They will be given to coaches at the next meet or at the Spring Coaches Meeting.

5.4 COMPETITOR SHEETS

1. Coaches must provide a completed competitor sheet to the appropriate Vice President before the commencement of each meet.
2. A competitor sheet must list all students from a school who are competing at the meet but who have never before competed at a WOCOMAL meet.
3. The competitor sheet must be as legible as possible, and must include full name, grade, and gender.
4. Students who have competed in previous years for a school should not be listed on a competitor sheet for that school.
5. Students in grades nine or below who compete in both varsity and freshman meets should be listed only at the first meet they attend.
6. PENALTY: If a school fails to submit a Competitor Sheet for new students, or fails to list new students on a submitted Competitor Sheet, the school's score shall be reduced by one point for each such error, with one error allowed without penalty and a maximum penalty of five points.

5.5 MEET DUTIES

1. Each coach who is not also an officer shall be assigned either to the scoring room, to the competition area, or to the non-competition area.
2. **All coaches who attend the meet will help with the functioning of the meet.**

6 THE HOST SCHOOL

1. The host school shall provide refreshments for all students and coaches. WOCOMAL shall provide stipends to cover the cost of the refreshments. A combined \$500 stipend shall be given to schools hosting a Varsity meet, split appropriately between the two host schools. A \$300 stipend shall be given to schools hosting a Freshman meet.
2. The host school shall establish a competition area, a non-competition area and a scoring area, each of which shall be separate. The host school shall also provide scrap paper for the students. The scrap paper shall be any paper other than $8\frac{1}{2}'' \times 11''$ white copy paper.

3. The host school shall allow WOCOMAL use of a photocopier during the meet.
4. With notification from the President, the host school shall make provisions for any student with special needs.
5. The host school may request a member of the local news media to report on that meet.

7 THE MEET PROPER

7.1 NUMBER OF STUDENTS

1. No school shall bring more than five (5) teams ~~for a total of~~ **and no more than** twenty-five (25) students.
2. Any school that brings more than ten (10) students to a meet must bring an extra coach.
3. PENALTY: A school that brings more than 10 students but does not bring a second coach shall be assessed a five (5) point penalty on its school score.

7.2 COMPOSITION OF TEAMS

1. An official varsity team contains no postgraduates, at most two (2) seniors, and at most four (4) juniors and seniors combined.
2. A Varsity team which consists of more than two (2) seniors or more than four (4) upperclassmen shall be deemed unofficial. Also, any Varsity team containing a post-graduate shall be deemed unofficial. For unofficial teams, individual scores shall count, but the team score shall not.
3. In the event that no freshmen or sophomores attend a school, a team of five students, including no more than two seniors, shall be considered a complete team. For purposes of team scoring only, the median junior score shall be subtracted from such a team. ~~This rule shall be reconsidered at the end of the 2004-05 season.~~
4. Each student is to compete in at most three rounds.
5. For varsity meets, a maximum of three students from each team may compete in each individual round. This rule applies to all teams, official and unofficial. (See Section 7.2.2 for the definition of an unofficial team.) **If more than three students on a team are assigned to an individual round, all students on that team shall receive zeroes for the meet.**
6. For freshman meets, a maximum of four students from each team may compete in any three of the individual rounds. A maximum of three students from that team may compete in the other remaining, or "odd," round. **The coach must declare on the scoresheet which round is the "odd" round.**

7. A school may have at most **two** incomplete teams (teams with fewer than five students).

7.3 CONDUCT

1. Exemplary conduct is expected at all times.
2. During any individual round, two students who know each other should not sit together. Specifically, two students from the same school should not be at the same table. Students who violate this rule will receive a zero for the round.
3. During any individual round, two students who both participate at ARML should not be at the same table.
4. Students are responsible for learning the procedures and rules pertinent to the competition.
5. In the event of student misconduct, the Executive Board shall have full discretion to penalize the individual, the team, and/or the school.

7.4 VARSITY MEETS

1. There shall be four meets each year.
2. Each meet shall consist of five individual rounds and one team round.
3. All students from each team may compete in the team round, and each team shall submit one answer sheet. All rounds, including the team round, are worth eighteen points per team.

7.5 FRESHMAN MEETS

1. There shall be three meets each year.
2. Each meet shall consist of four individual rounds and one team round.
3. All students from each team may compete in the team round, and each team shall submit one answer sheet. All rounds, with the exception of the “odd” round, are worth twenty-four points. The “odd” round is worth eighteen points.

7.6 MEET PROCEDURES

7.6.1 BEFORE THE MEET

1. Teams should arrive at the host school by 3:00 PM.
2. Upon arrival, each coach should pick up any information provided by the President. The coach should then give completed official score sheets to the Head Scorer, and completed Competitor Sheets to the appropriate Vice President.

3. The meet shall begin when all schools arrive, but not later than 3:20 PM. Students shall be moved to competition and non-competition areas at 3:10 PM.
4. When the meet begins, each coach should report to his/her assigned station.
5. Teams that cannot attend a meet or that will be arriving late should notify the host school or any officers who, in turn, shall notify the President.

7.6.2 DURING THE MEET

1. Each round shall be ten minutes in length.
2. Students assigned to a specific round shall be directed to a Competition Area. Students not assigned to the round shall be directed to a Non-Competition Area.
3. A student may not enter any Competition Area after a round has begun.
4. A two-minute warning and a fifteen-second warning shall be given for each round.
5. In an academic year, the first time that a school arrives late, it shall immediately be segregated and shall be allowed to make up the round in progress. The coach must notify any officer or official upon arrival.
6. In an academic year, the second or subsequent time that a school arrives late, it shall not be allowed to make up the round in progress or any earlier rounds.

7.6.3 AFTER THE MEET

1. Reasonable time shall be provided at the conclusion of the meet for each coach to check individual answer sheets. No changes shall be permitted once the papers have left the scoring room. Also, no changes shall be permitted after the President declares the meet officially over.
2. Any appeals after the conclusion of the meet may be made to the Executive Committee.

8 SCORING

8.1 INDIVIDUAL SCORING

1. A student can be in at most three rounds per meet.
2. The maximum score per round is six points.
3. Therefore, the maximum meet score for an student is eighteen points.
4. **Individual score adjustments shall be made as follows:**
 - (a) If a student competes in more than three rounds, the lowest three round scores shall be counted for the individual score.

- (b) **If more than three students on a team are assigned to the same round, all students on that team shall receive zeroes for the meet.**
- (c) **The Head Scorer should check scoresheets before the commencement of the meet to ensure that no more than three students are assigned to each round. However, the responsibility for properly composing teams and distributing students into rounds belongs to the coach. Penalties for incorrect team composition or student distribution will be assessed regardless of Head Scorer notification.**
- (d) **If a student participates in the wrong round, causing the students on his/her team to be distributed incorrectly, no penalty shall be assessed against the students who correctly participated in the round.**

8.2 INDIVIDUAL RANKING

1. After each meet, competitors shall be ranked against all other competitors in Varsity or Freshman. Within Varsity and Freshman, they shall also be ranked against other competitors in their division.
2. Competitors shall be ranked by the total number of points that they have scored in all meets.
3. Competitors shall also receive "quality points," calculated as the signed difference between points scored in a round by the competitor, and the average number of points scored in that round by all competitors.
4. The total number of quality points earned by a competitor shall be used to break ties in rankings.

8.3 TEAM SCORING

1. A team score shall be the sum of the individual scores of all team members, plus the points scored by the team in the team round, minus any score adjustments.
2. The maximum score in a varsity meet is 108 points; the maximum score in a freshman meet is 114 points.
3. Team score adjustments shall be made as follows:
 - If more than the appropriate number of team members **inadvertently** compete in an individual round, the highest score(s) **in that round** shall not count toward the team score. However, the score(s) may count toward the individual score.
 - In the event that a team is unofficial, as described in section 7.2.2, the team score for that team shall be zero.
 - Per section 7.2.3, if no freshmen or sophomores attend a school, the school may field a team of two seniors and three juniors. In that case, the median junior score shall be subtracted from the team score. ~~This rule shall be reconsidered at the end of the 2004-05 season.~~

- In the event that a school fields more than two incomplete teams, the team score for all such teams shall be zero.
- In the event that freshmen and sophomores attend a school, but that school fields a team with more than four juniors and seniors combined, the team score for that team shall be zero.

8.4 SCHOOL RANKING

1. A school's score shall be its highest team score.
2. School score adjustments shall be made as follows:
 - A five-point penalty shall be assessed against a school which brings more than ten (10) students but does not bring a second coach. (See section 7.1.3.)
 - A penalty shall be assessed against a school whose coach did not submit correct Competitor Sheets (see section 5.4.6).
 - A five-point penalty may be assessed against a school whose coach has not submitted his or her questions (see section 5.2.6).
3. For a specific meet, schools within a division shall be ranked according to their school score. The team with the greatest number of points is ranked first, etc.
4. Schools that compete in each meet shall receive the following points, within their division:
 - FIRST PLACE: ONE point
 - SECOND PLACE: TWO points, etc.
5. Schools that tie for a position shall receive the average of that and the following position points. For example, if two schools tie for fourth, they each receive 4.5 points (the average of 4 and 5). If three schools tie for first, they each receive 2 points (the average of 1, 2, and 3).
6. A school that has paid all its dues and does not compete at a meet shall be placed last with a one point penalty.
7. Ties in the final year standing shall be settled by the school with the highest raw score.

8.5 ANNOUNCEMENT OF RESULTS

1. Unofficial results shall be read at the end of each meet.
2. Official results for the meet shall be made available to each school by the appropriate Vice President.
3. Official results for the year shall be announced at the Spring meeting.

9 CANCELLATION OF A MEET

1. In the event that any league school cancels classes on the day of a meet because of inclement weather, where that school would otherwise have competed, that day's meet shall automatically be cancelled.
2. If a meet is canceled, the officers shall contact the host school. Coaches who are uncertain whether the meet is cancelled should contact the host school. Each coach has the responsibility of verifying any cancellation.
3. Normally, the make-up date for a meet shall be the following Wednesday. Exceptions to this rule shall be determined at the Fall Coaches' Meeting.

10 CATEGORIES

The League shall periodically review categories for the season. A list of categories shall be presented for a vote at the Spring meeting, to be in effect for the following year.

11 CLASSIFICATIONS

1. Ordinarily, there shall be four classes, designated as A, B, C and D. If there are twenty-one (21) or fewer member schools there shall be only three divisions. Schools shall be ranked according to averages, and from this list the Executive Committee shall suggest the classification and relate to all coaches the method that was used to arrive at such classifications. The guiding principles in arriving at classifications are to make the number of schools in each division as equal as possible, and to consider the gaps in averages. This suggestion shall be voted on at the Fall meeting.
2. A coach may request re-classification of his/her school by notifying the President by the second meet. The Executive Committee shall hear reasons and shall, prior to the team round, notify all schools of any changes that have been made.
3. Any school which finishes first in its division shall automatically move into the next higher division the following year. Any school which finishes last in its division may compete in the next lower division the following year.
4. Averages shall be calculated as follows:
 - VARSITY: The average of last year's Freshman raw score and the last two years' Varsity raw scores shall be computed. Schools shall then be ranked according to these averages.
 - FRESHMAN: The same ranking shall be used to determine both Varsity and Freshman divisions. However, the number of divisions in Varsity and Freshman may differ.
5. New schools shall be classified by the Executive Committee after the new school's first meet.

12 COACHES' MEETINGS

1. The President shall hold a Fall meeting on a Wednesday in September. The agenda shall include: introduction of officers and coaches; Secretary's and Treasurer's reports; collection of registration forms, dues and self-addressed stamped envelopes; President's message, appointing officials; discussing meet locations; and any other business to be brought before the coaches.
2. The President shall hold a Spring meeting on the first Wednesday in May. The agenda shall include: Secretary's and Treasurer's reports, voting on by-law changes, awards, ~~John Phelan Memorial~~ **Matt Smith Scholarship of \$200** (awarded to the top scoring senior in Varsity), **Tom Severance Scholarship of \$100 (awarded to the top scoring student in Freshman)**, the outgoing President's message, banquet, Nominating Committee report, election of officers, dates and locations for the following year and the newly-elected President's message, including announcements of summer meetings.

13 POST-SEASON COMPETITION

WOCOMAL teams are eligible to compete in State (MAML), New England (NEAML) and other mathematics league meets. The number of participating teams for the State meet shall be determined by MAML.

MAML and NEAML competitions divide schools by size. A school's size is determined by counting the number of students in grades 10–12:

Students in gr. 10-12	Size of school
850 or more	Large
450–849	Medium
Fewer than 450	Small

By rule, MAML allows each member league to send schools of each size in rough proportion to the number of such schools in the league. Specifically, for each size, MAML allows one-eighth of the schools of that size, rounded down, plus one. Hence the current rule works as follows:

Number of schools	Invitations
1–7	1
8–15	2
16–22	3
24–30	4

If a team does not wish to participate, the next ranking team is eligible to participate. **In addition, MAML allows each league the discretion to invite additional schools of a given size, provided that those schools were close to qualifying.**

The President with the Executive Committee shall determine which teams are to be invited to the compete at the State meet. The MAML Representative shall notify all schools that are eligible for the State Meet.

The **WOCOMAL** school with the highest raw score **in Varsity** for the year **automatically** qualifies for the New England meet. **Other schools may qualify for the New England meet by doing well at the State Meet.** The cost of participating (with the exception of meals and transportation) at the State and New England meets shall be paid by WOCOMAL.

14 AWARDS

The awards usually given at the end of each school year are as follows:

14.1 TEAM AWARDS

- ~~Top three schools in each division~~ **At least one-third of schools in each class, both Varsity and Freshman, shall receive a team award (a plaque). The Executive Board has the discretion to give additional team awards, to a maximum of one-half of the schools in a class. A school which misses more than one Varsity or one Freshman meet shall not be considered when counting the schools in a class, but may be eligible for a team award.**
- **A Most Improved Team award shall be given to the school whose Varsity team increases its four-meet raw score by the greatest amount from one year to the next. In general, this award cannot be won by the same school twice in a five-year period. To win the award a second time within five years, a team's second award must be for an increase in excess of the raw score for which the previous award was earned. A team that scores 100 then 150 may win for a 50-point increase; if that team then scores 200, it would be eligible for the award based on the second 50-point increase. If, on the other hand, it scores 100, then 150, then 100, then 150, it would not be eligible for a second award based on the second fifty-point increase.**

14.2 INDIVIDUAL AWARDS

- **The top forty (40) scoring students in Varsity, at grades 12 and below, shall receive an individual award (a plaque).**
- **The top scorer in each class, if he/she is not within the top 40 students overall, shall receive an individual award (a plaque).**
- **Any postgraduate students who score above the 40th place non-postgraduate student, shall receive an individual award (a plaque), showing the ranking they would have received if they were in grade 12 or below.**
- **The students in grades 11 and 12, not within the top forty students, who most improved their four-meet score from the previous year to the current year shall receive the Most Improved Junior and Most Improved Senior awards (plaques).**

- **For each school in the Varsity division, if the top-scoring student has not received an individual award, that student shall receive an individual award (a framed certificate). For a student to be eligible for this award, the school must have attended all varsity meets.**
- **The top twenty-five (25) scoring students in Freshman shall receive an individual award (a plaque).**
- ~~John Phelan Memorial~~ **The Matt Smith Scholarship of \$200 shall be awarded to the top scoring senior in Varsity competition.**
- **The Tom Severance Scholarship of \$100 shall be awarded to the top scoring student in Freshman competition.**

15 BY-LAW CHANGES

By-law changes may be made only at the Spring and Fall coaches' meetings by a two-thirds vote of all schools, with each school casting one vote.
